

JESUS CONVERSATIONS DVD

DVD Section One

These conversations may be used in whatever order you find appropriate. Choose a few conversations to listen to before you begin the questions in the Bible Study. Hit pause after the conversation and talk about what that person has shared about their Jesus experience. For those who prefer a more structured approach there is a suggested order in Appendix 1. The list below provides a list of the tracks to help you locate specific individuals and a brief description of each conversation.

(21 conversations - Listening time: 12 minutes)

Number of track	Name of person	Description of conversation:
1.	Debbie	How faith makes a difference in my life.
2.	Mick	How living as a Christian has made a difference in how I live my life.
